DEDICATION '66

It is with great admiration and respect that we, the Class of 1966, dedicate this volume of the Ledger to Mr. Richard I. Woodruff in recognition of his service to our school, and to us. Each of us will remember him in a different way — as a sophomore biology teacher, as a home-room teacher, as coach of our track team, as one versed in the intricacies of the embryonic chick, as a man with a wonderful sense of humor, as a friend — for he is a man of many facets. He has contributed much to our years here at Owen J., and this dedication can be but a small token of our appreciation for what he has done.

BAND

The Senior High School Band, under the direction of Mr. Richard G. Wells, has had a very active year participating in football games, parades, cavalcades, and concerts. The concert band has seventy-four members while the marching band has only fifty-eight.

The marching band is led by its very capable drum majorette, Ann Sharp (*FAR RIGHT*), and its two featured twirlers, Kathy Reynolds and Mimi Smith (*RIGHT*).

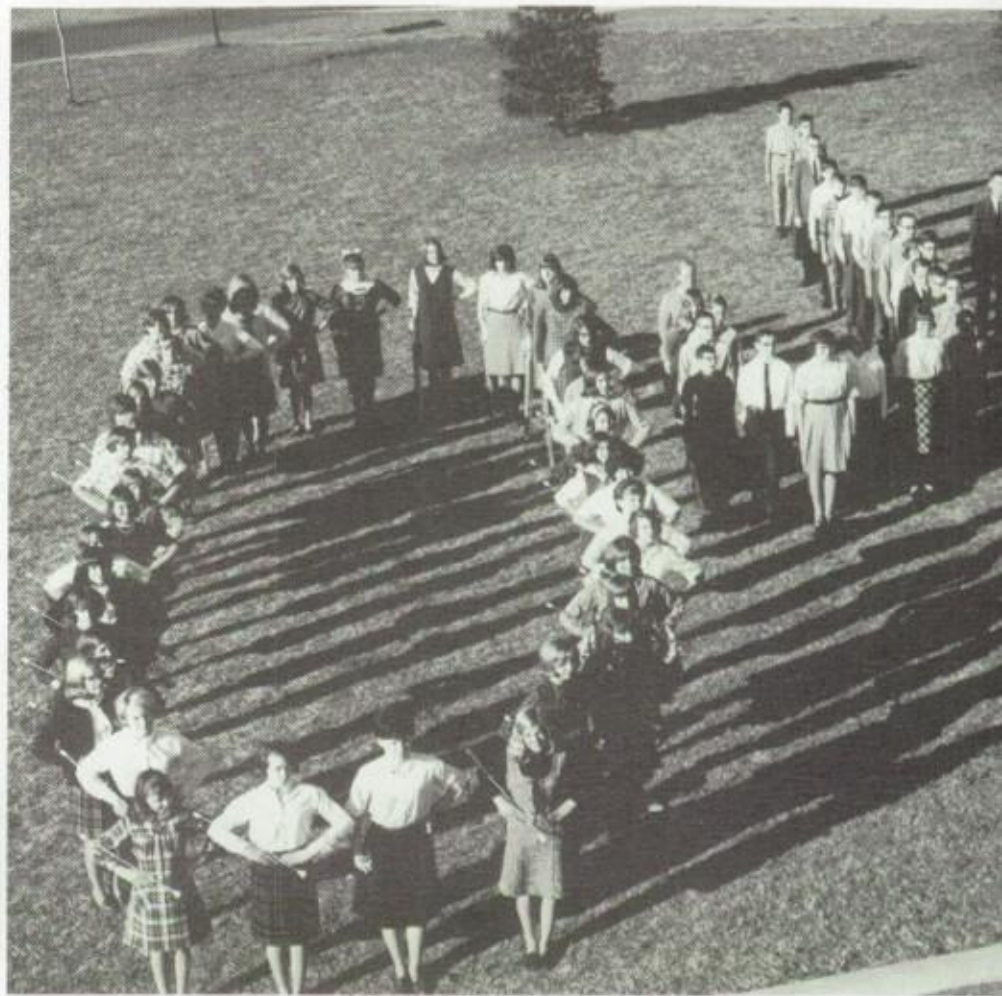

CAPTAINS: J. Charlton, L. Sollinger, Captain of the Color Guard, Peggy Mourar; Captain of the Twirling Corps, R. Renninger.

Mr. Nace and Mr. Wells.

JUNIOR

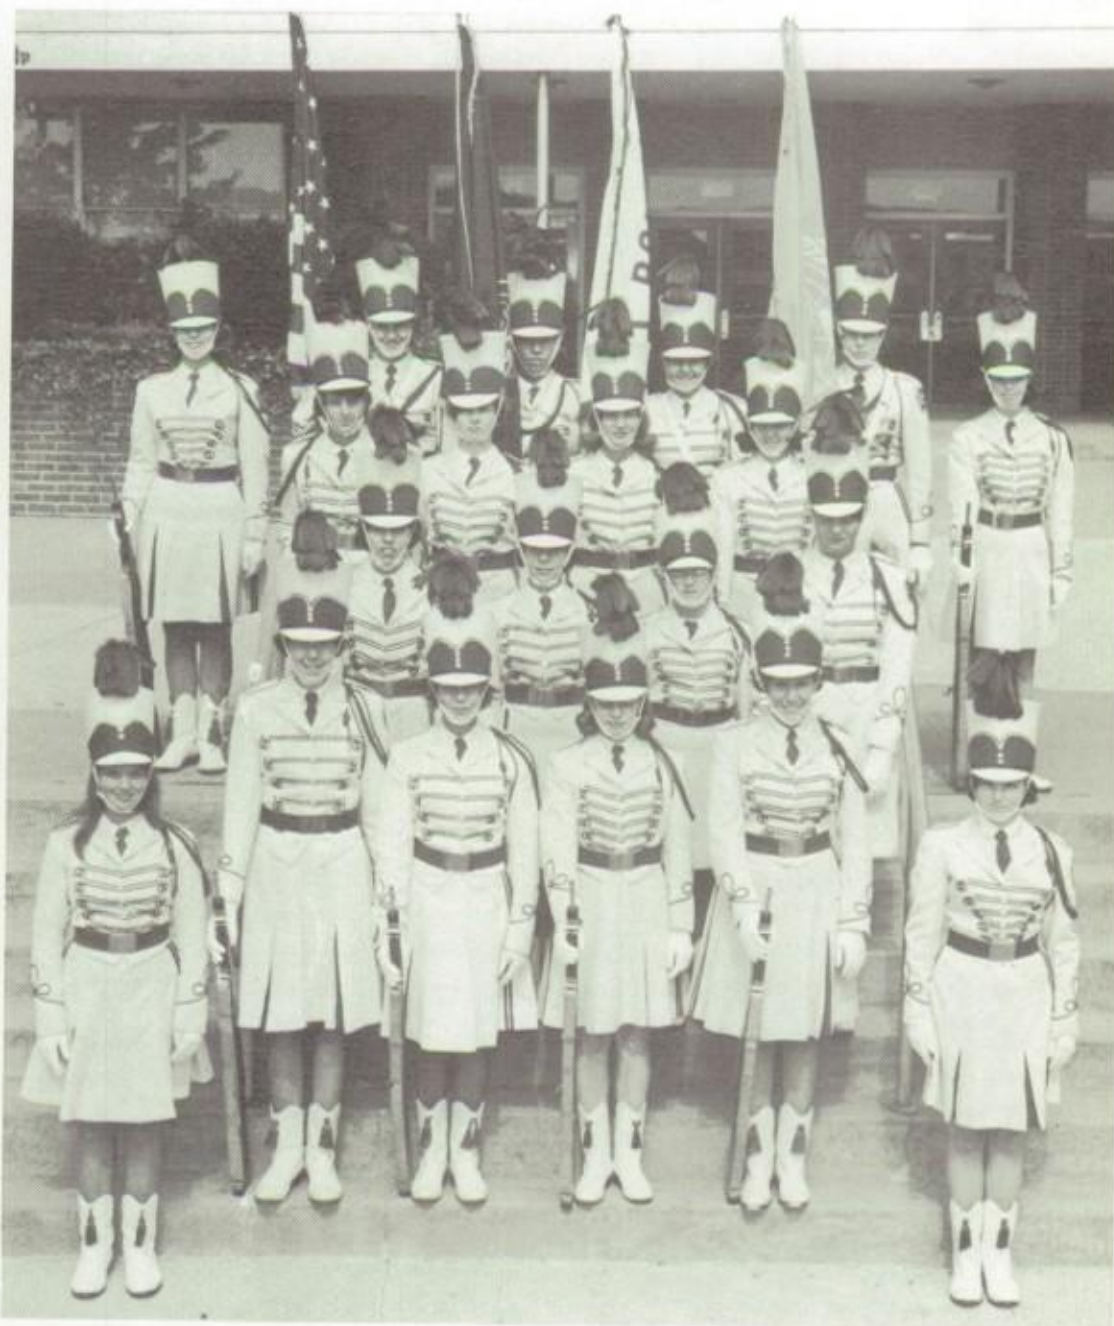

The band front, the Color Guard and Twirling Corps, adds color and flash to the Senior High Marching Band. The Color Guard, led by Captain Linda Sollinger and consisting of twenty-five members, gives the band a military air with its gun routines and snappy drills. The Twirling Corps of twenty-one members, captained by pert Peggy Mourar, presents a good impression of our school to all who see it.

HOCKEY AND CROSS- COUNTRY

This was the second year for the cross country team, and the team improved from a 4-4 to 8-5 record. The team placed twelfth in the Steel City Invitational at Coatesville, sixth in the Ches-Mont Championship, and fourteenth in the District I Championships. At the Steel City Invitational Glen Brewer finished eighth and at the Championships Glen Brewer finished sixth and Mike Potopa seventh. In the District I Championship Glen Brewer finished fourteenth. Mike Potopa has set a school record for the new 2.5 mile course at 14:10.

BASKETBALL

One item about the Owen J. Robert's basketball team made it stand above our teams of the past, and that was the fact that this season's Wildcats were better than the teams in recent years. The players hustled the entire game every time, and this made them a good team, and their record showed it. The Wildcats of '65-'66 were almost all seniors, most of whom had a full year of experience, and some had more. The Cats had several outstanding players, but more important, each one gave all he could, and that's all anyone could ask of them.

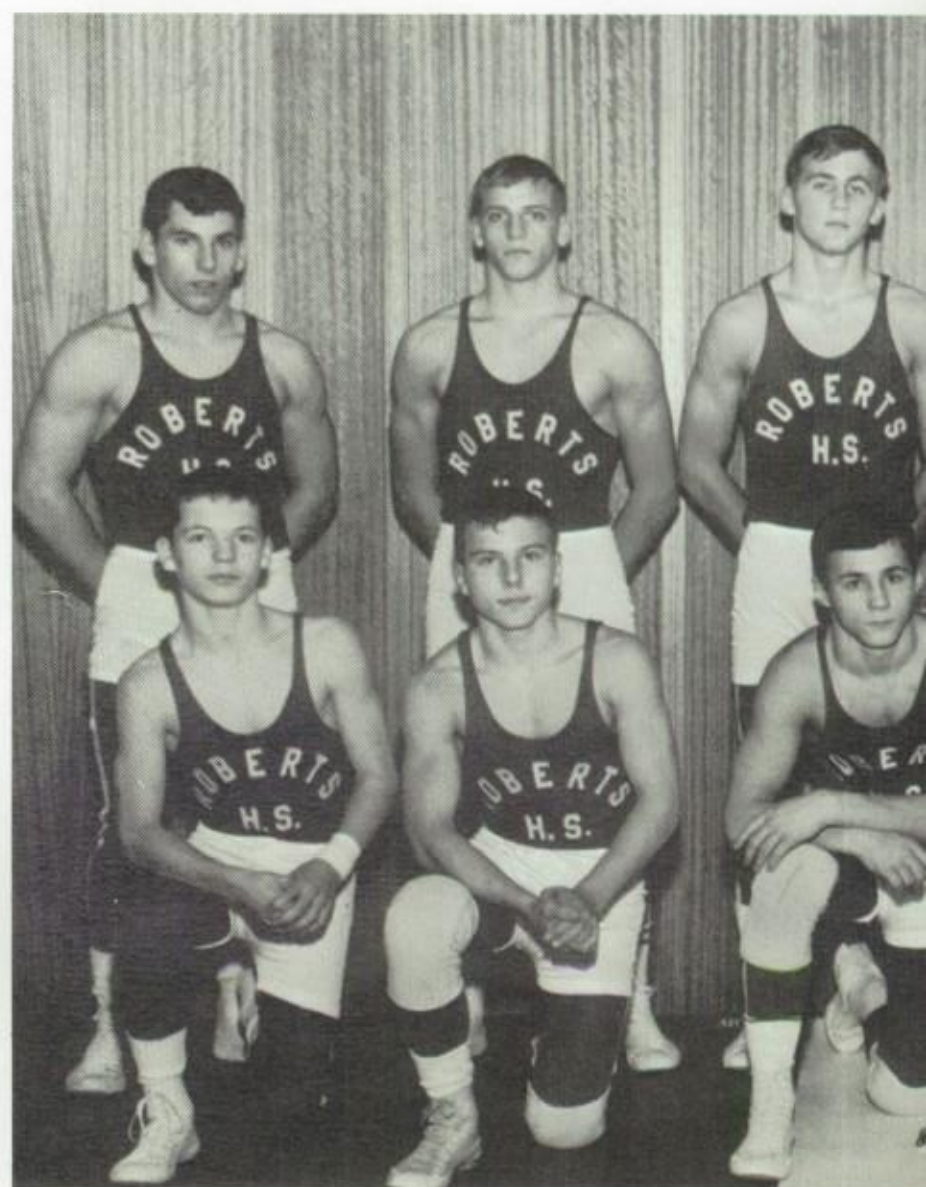

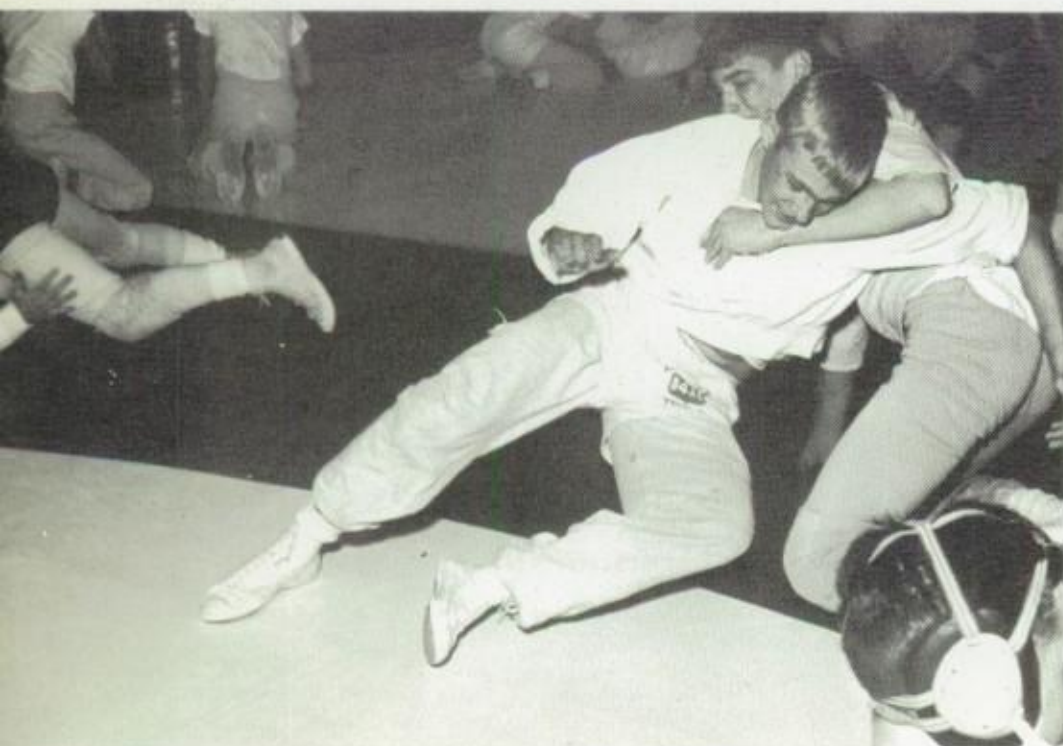

Varsity Team, *FIRST ROW*: P. Chonka, L. Mortenson, P. Tinney, B. Brownback, T. Voynar, R. Leighton, S. Kutz. *ROW TWO*: Mr. Heylman, B. Hanth, D. Strock, B. Hartman, J. Davis, T. Buckwalter, F. Ayres, C. Leighton.

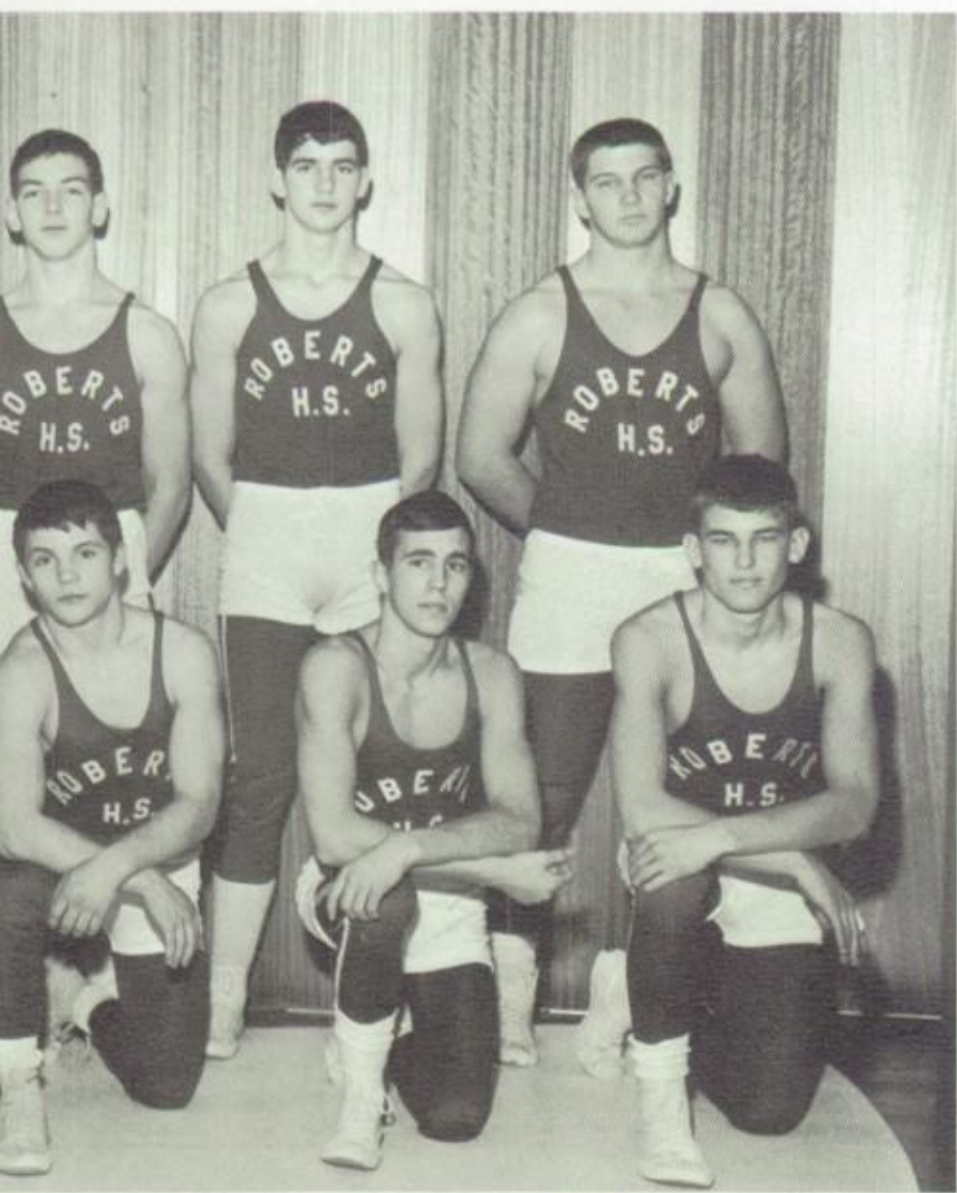

CHES-MONT CHAMPS

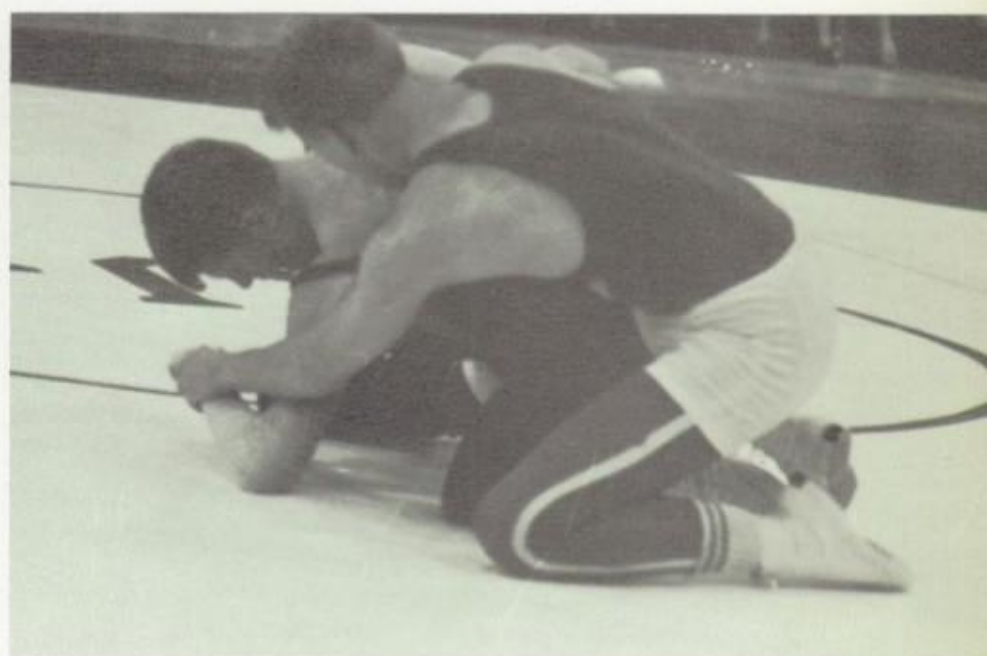

Our wrestlers continued their domination of the Ches-Mont league during the 1965-66 season, compiling a perfect record and winning the championship for the fourth straight year. The Cat's lineup held no weak spots, but did prove to be stronger in the lighter weight classes, and, as in previous years, the team is left with a fine nucleus for next year's team. Included in the perfect season was a victory over Reading High — the only team to beat the Cats since the formation of the team three years ago. The Wildcats boast five of the Ches-Mont Champs this year: Bill and Charlie Lawrence, Jim and Greg Maack and Sand Sweisford, and under the coaching of Mr. Foller, Robert's monopolization of the league mats can be expected to continue for many years.

Varsity Wrestling Squad, *FIRST ROW*: B. Lawrence, S. Sweisford, T. Maack, C. Lawrence, J. Maack, B. Malenke.

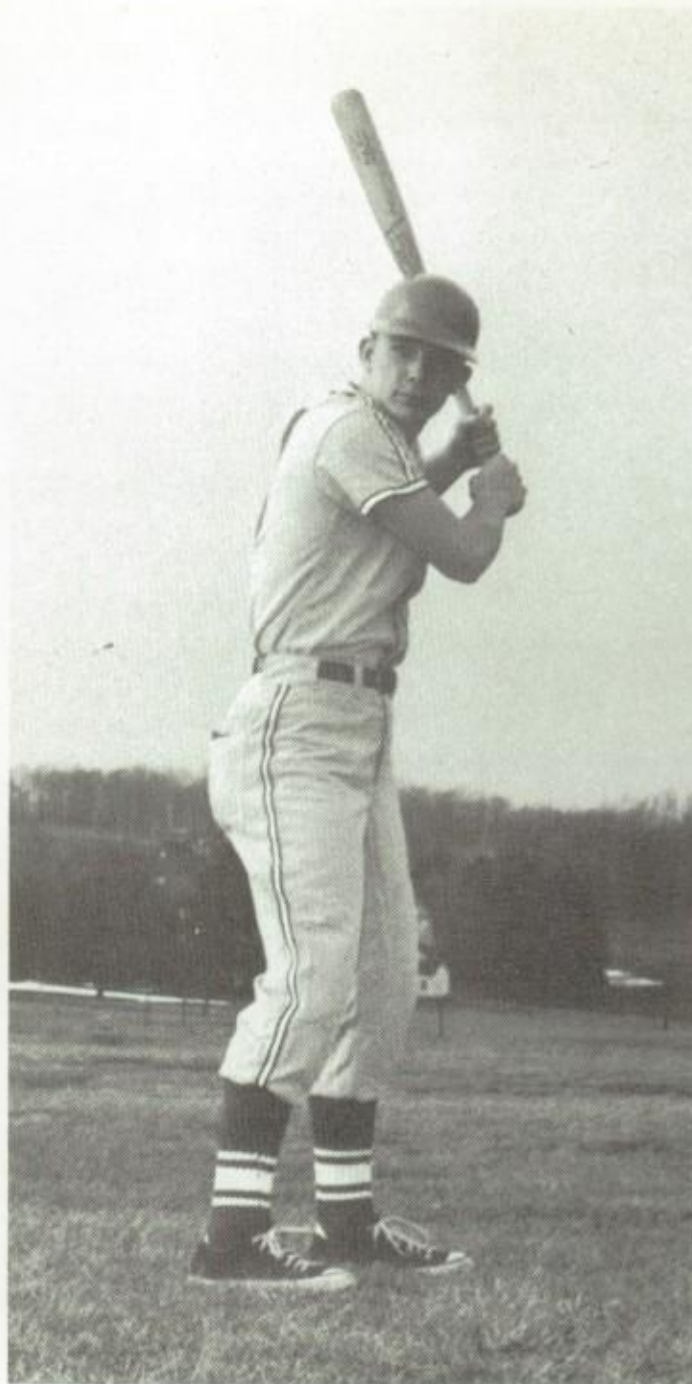

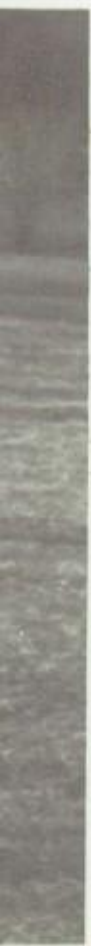

SECOND ROW: T. Clifford, B. Kulp, G. Maack, T. Madden, B. Madden, I. Davis.

BASEBALL

This season was a memorable one for the Owen J. Roberts' baseball team. Lead by the hitting of Pat Tinney, Larry Mortenson, Steve Mourar, and Bob McClimon, the team surged ahead and on the diamond their homeruns always proved a threat to the opposing team. Pitchers Del Locke, Rick Leighton, and Joe Gaffey led the action, and fine defensive play was shown by Roger Wolfesperger. Coach Strohecker and Assistant Coach Fenna worked the boys hard both in preparation, and during the season.

BASKETBALL

The 1965-66 girl's basketball team ran headlong into a strong 6-3 season with a 50-19 victory over Downingtown in the opening game, but suffered defeat in the next game on the Boyertown court. The Kittens' scorers were led by Junior Sue Wilson, an even better prospect for next year. The team outscored their opponents 374-282 in the entire season. The Pottstown and Phoenixville defeats were the most disappointing games of the season. The junior varsity under Mrs. Heess' coaching compiled a 6-3 record also. Assisting the coach, Mrs. Reitnour, were the co-captains, Ann Sharp and Marty Loomis.

ROW ONE: S. Barr, L. Evans, E. Shelton, M. Loomis, A. Sharp, L. Sollinger, S. Williams. ROW TWO: Mrs. Reitnour, C. Keller, S. Brown, L. Keim, S. Wilson, L. Kates, Mrs. Heess. ROW THREE: T. Walsh, K. Bodor, M. Clarke, J. Diffenderfer, C. Mayberry, L. Pennstrom, S. Bodor,

M. Pechin. ROW FOUR: L. Di Guiseppe, J. Painter, R. Koterba, D. Elliott, N. Buckwalter, D. Mull, J. Loftus, G. McClimon, R. Koburn, A. Rosendale.

SOFTBALL

The girls' sports season was rounded off with the opening softball game and followed through with another memorable season. Co-captains for the year were Marsha Bauer and Marty Loomis, both four year veterans. Miss Bodolus, the coach, was pleased with the girls' compiled record, and the high point of the season was when the Kittens once again met the Trojanettes to renew their old rivalry.

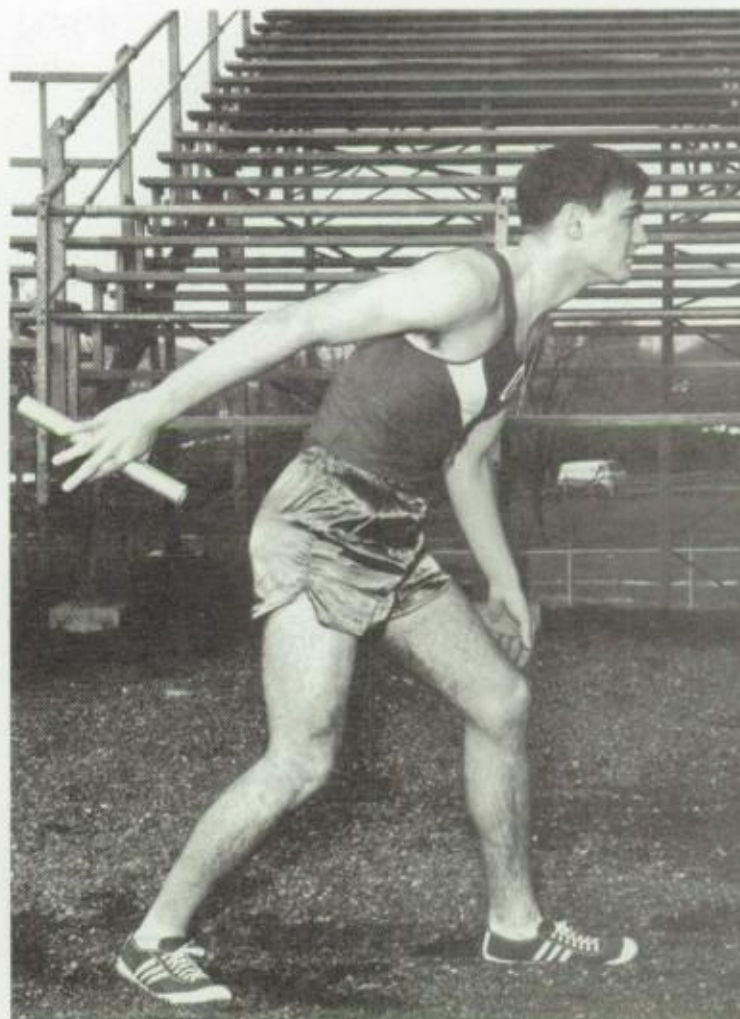

ROW ONE: M. Voynar, J. Houck, J. Fredericks, C. Mayberry, S. Voynar, L. Thomas, T. Walsh, K. Bodor, S. Bodor, L. Brockerman. ROW TWO:

Miss Bodolus, A. Moyer, M. Loomis, L. Evans, M. Bauer, D. Buckwalter, P. Stierheim.

TRACK

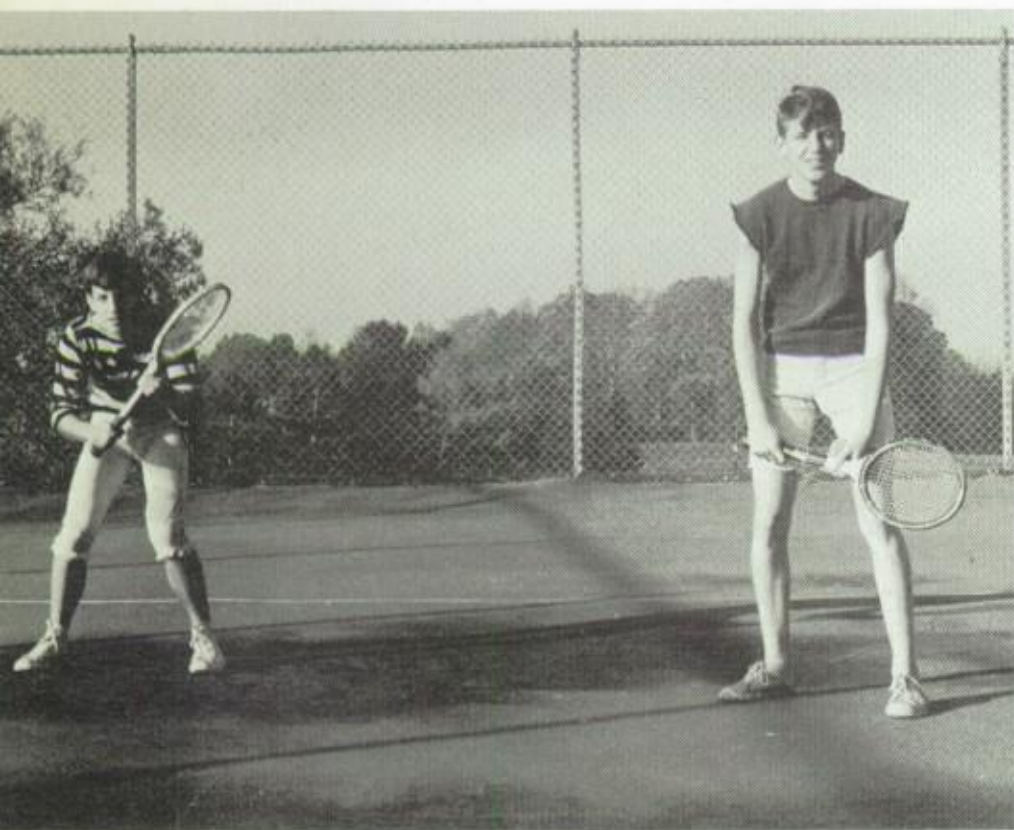

This year's track team was probably one of the best Owe J. Roberts has ever assembled. The competition was keen and the dashes, jumps, and relays proved to be the strongest points this year. Key men were Butch Hartman, Bob Brownback, Barry Kulp and Steve Ryznar, under the supervision of Coach J. Roberts.

TENNIS AND GOLF

The tennis team plays seven matches a year, and last season compiled a 2-5 record against strong opposition. Mr. Hallowell is assisted at matches by girl scorekeepers. The team really gives a good showing considering the amount of practice the boys get, for they are constantly plagued by wet courts, windy days, or blazing heat.

CHEERLEADERS

Our cheerleaders have done much during the past year to promote school spirit, their vivacity undimmed by wind or rain. At all the games and pep rallies their cheers could be heard boosting the enthusiasm of the wildcat fans and our team's morale, and they have added a lot of pep and energy to this season's sports.

EXCHANGE STUDENTS

Well, I have been back for almost a year now after a thirteen month stay in my second homeland, Germany. I enjoyed myself very much while I was there and met many interesting people (!) and did many exciting things (!), but I was glad to get back to good old Pennsylvania again. Germany was fabulous, the people very hospitable, the customs intriguing, and the food horrible. Raw fish and beer pudding just weren't my specialties. I prefer the good old stand-by, hot dogs. I would love to go back again though, and I am sure you would all enjoy yourselves there, too. Komm, gehen wir!

Karen High

It seems to me that the time here is running. The days in school and at home go by like the wind. I am enjoying most every minute of my being here in Pottstown and at Owen J. The school is so much bigger than my German school and the system is so different that I was scared at first, but I found out that the students react very much in the same way — talking, walking in the halls — and this made it easy to find my way in our school.

I do not feel like a stranger anymore. One thing I have learned to enjoy is gym. When I came I hated it and now, even if I am very bad in gym, it is fun. Especially hockey was great! It is like Mr. Dunkelberger said on the first day in school. When you go back you will like gym. I always like to go to school and I really cannot say which school I like better. I want to take many many good memories back to Germany, and I am very thankful for all your being so nice to me.

Heidrun Wiards

Heidi Wiards

Now, since I am half a year in the United States, nothing surprises me anymore that I find different from Germany. Even school, which felt very strange to me the first days, is now familiar, and sometimes I think of it — like in Germany — as a necessary evil. But I like the wrestling matches and basketball games, and I was especially disappointed when the football season was over, because I had just started to understand the rules. Another thing I enjoyed very much was my participation in the Senior class play, and I was sort of sad when the good time — sometimes hard, too — of rehearsal was over.

A funny experience was the big snowstorm and the closing of the schools. Of course, we have snow in Germany, too, but never so much that schools are closed for over a week or even days. I liked it very much, especially when we went sledding.

I enjoy this year at Owen J. very much, even if I might miss sometimes parts of my German school life. After all, I find out, school systems might be different, the language you speak is different than mine, but people are the same in the U.S. and in Germany.

HOMECOMING

This year the annual Homecoming game was played on September 25, against the Red Raiders from Coatesville. The game was a close one, and the excitement mounted as the seconds ticked away. It finally ended in a 7-7 tie after some thrilling action on the field which left the spectators breathless. The queen and her court rode around the field and then presided over the pre-game ceremonies. This year's queen, Bobbi Montgomery, completed her traditional duties by presenting the football to the referee. She was escorted by Tom Voynar. The members of the Homecoming Court and their escorts were Sandy Wunderlich and Curt James, Shirley Yost and Bill Greenwood, Linda Sollinger and Bob Brownback, Betty Jean McClimon and Jay Umstead, Debbie Bradley and Gary Glanski, and Ann Moyer and Tim Jones.

AT RIGHT: Homecoming Queen, Barbara Montgomery, escorted by Thomas Voynar. AT LEFT: The Homecoming Court, Ann Moyer, Sandra Wunderlich, Linda Sollinger, Betty Jean McClimon, Shirley Yost, Deborah Bradley.

CLASS PLAYS

In March, 1965, the junior class made its dramatic debut in "Room for One More", directed by Miss Buchter. The members of the cast were Janet Reick, Lynn Caleen, Debbie Peterman, Dale Bredahl, Sara Williams, Fred Ayres, Peggy Hunt, Jeanne Paul, Jon Doak, Ann Moyer, Joe Davis, Cheryl Peck, and Sara Buzzar.

For the senior class play this year Miss Lawrence attempted something different by presenting three one act plays: "The Recognition Scene from Anastasia," "The Happy Journey from Trenton to Camden," and "The Valiant." The plays were well received and it made the long hours of practice and preparation worthwhile.

CLASS TRIPS

On September 28, 1965, an eager group of seniors met at the school at 6:30, in the morning no less, to leave for the New York World's Fair. The day was spent looking at the many interesting exhibits and resting weary feet in any available shade. We cannot help but remember the nice New Jersey policeman who stopped one bus for speeding and the flat tire that kept so many seniors out late. What an excuse!

We had visited Gettysburg for our junior class trip in May of the previous year. The trip was highlighted by a tour of the battlefield and the viewing of the electric map. We will never forget the romp at Devil's Den and the wild picnic so blithely called lunch. And, Mr. Mosteller, none of us ever outlined the book.

CLASS OFFICERS: John Hartman, President; Shirley Yost, Treasurer; Greg Maack, Vice President; Linda Sollinger, Secretary. CLASS ADVISORS, SEATED: Mrs. Stevens, Mr. Springer, Mrs. Machamer, Miss Bodolus, Miss Lawrence. STANDING: Mr. Lloyd, Mrs. Trimble, Mr. Bigler, Mr. Kenna, Mrs. Detwiler.

As seniors, we look back over our years at Owen J, at the good and the bad. We remember gym classes in the rain, those awful tests, piles of homework, that grouchy teacher who caught us with gum, dodging the rain buckets, rushing to class after an exhausting gym work-out, and the traffic jams in the halls. Who will ever forget coming to school on a Monday morning, eating lunch in four minutes, or that horrid feeling that you are next to give your speech?

In spite of this we also remember football games, lunch conversations, dances and all the other pleasant experiences that go with high school. Pour them all together and you paint a glorious picture, one that none of us will ever forget.
